#### Student

I have read and agree to follow Alexandra College's Device, Social Media and Internet Acceptable Use Policy. By signing this agreement, I agree always to act in a manner that is respectful to myself and others, in a way that will represent the school in a positive way. In particular, I agree that I will always use the internet, social media and digital communication in a responsible, respectful, kind and constructive way and obey all the rules explained to me in this policy and by teachers or school staff from time to time. I accept that this policy applies in school and outside school. I understand that failing to follow this policy and the Code of Behaviour will lead to appropriate sanctions.

#### Parent/Guardian

I have read Alexandra College's Device, Social Media and Internet Acceptable Use Policy. I accept it and will support the school in implementing it.

I understand that internet access at school is intended for educational purposes only. I also understand that every reasonable precaution has been taken by the school to provide for online safety but the school cannot be held responsible if students access unsuitable websites.

I have spoken with my daughter/the child in my care about her responsibility to use the internet, social media and all digital communication tools constructively, with respect for herself and others, with responsibility for herself and to others, with kindness, in a way that will represent the school in a positive way and in accordance with this policy, the Code of Behaviour and the Anti-Bullying Policy.

My daughter/the child in my care understands that she will need to think critically and carefully before acting online.

I consent to:

1. my daughter/the child in my care being given access to and accessing the internet at school;
2. confiscation for the school day of any mobile phone or smart watch belonging to or in use by my daughter/the child in my care found with her on school grounds, (other than in res or in her locker) or on school related activities between 8.45 and 3.55.
3. access to and use of school-provided internet through any personal device my daughter/the child in my care uses in school or for school related work being monitored by the school from time to time for her security and safety;
4. any personal device through which my daughter/the child in my care accesses school-provided internet being locked down by the school from time to time for her security and safety;
5. apps and software being removed from any personal device that my daughter/the child in my care uses in school for school related work;
6. apps and software required for school work being added to any personal device that my daughter/the child in my care uses in school for school related work.
